

7.2 PLAYGROUND EQUIPMENT

All playground equipment purchased by the Shire of Gingin, donated or supplied on a joint venture basis and constructed on Shire owned or controlled land, shall be according to the Australian Standards Association Playground Equipment for Parks, Schools and Domestic Use.

The Chief Executive Officer may order the immediate removal of any item of equipment that is non-conforming and/or dangerous, and shall have the authority to remove any item of play equipment and have it placed in the Shire's Depot if the order for its removal is disregarded.
