## Business in Focus

### CU@Park Cafe & Restaurant

Overlooking beautiful Granville Park and Gingin Brook is CU@Park Cafe & Restaurant - Gingin's premier venue for smart casual dining, wedding receptions, business meetings and general functions. This picturesque restaurant is open 7 days a week, including public holidays,

for breakfast from 8.00am and lunch from 11.00am. Fully licensed, it is open for dinner on Thursday, Friday and Saturday nights.

Owner/manager, Renae Stokes, is getting ready to launch her **Winter Warmer Menu** and has recently introduced **Cheap & Cheerful Thursday Nights** with selected main meals starting from just \$18.50. "We'll have the fireplace roaring and outdoor heaters on for a cosy winter dining experience," she said.

The restaurant hosts a boutique gift shop and a Kids' Room with videos and games, and provides outside catering as well.

As a local herself, Renae is proud to use her business to support the Gingin community. "We are always willing to support local community events and causes, whether it's donating coffee cups for a Christmas function, sponsoring sporting clubs, or making sandwiches for weary firefighters," she said. "We also give sponsorship support to the Shire's Early Rates Incentive Scheme in order to help provide the early rates winners with excellent prizes."

Renae is also planning to reintroduce live music for the spring/summer season later in the year.
