#### Discover Easter 2018 Art Exhibition – Gingin

Following on from the success of last year's event, the **Uniting and Anglican Churches** are once again pleased to welcome the community to another Discover Easter Art Exhibition. This event will also coincide with and complement the Arts in the Park event at Granville Park, Gingin.

This three-day event will feature a diverse display of artwork from locals and out-of-townners including installations, sculptures, paintings, clay models and more – the theme being the life, death and resurrection of Christ.

**When:** Sculpture display from **Saturday 24 March** and all other artwork from **Friday 30 March to Sunday 1 April 2018**

**Where:** Granville Park, Gingin

For more information contact Kim Mouritz on 0408 904 074.

#### Guilderton Easter Art Exhibition & Show - Saturday 31 March

GCA Moore Arts is once again pleased to present its annual Easter Art Show at the Guilderton Community Hall from 9am to 2pm.

Displays include artwork by local artists and art of the locality of Moore River which includes crafts, photography, sculpture, ceramics and jewellery. Come and enjoy this popular event and purchase a piece of local art as a lasting memory. Includes a raffle with very good art prizes!

#### Stable Fly Update

As a result of the introduced Voluntary Rate Levy for the management of stable fly in 2017-18 financial year, the Shire was able to appoint an additional authorised officer to carry out stable fly inspections across the Shire in accordance with the Biosecurity and Agriculture Management Plan 2016.

This appointment commenced in October 2017 and extends to April this year, and has enabled a proactive approach to mitigating stable fly breeding through the summer peak period. Following this period the Shire will continue to work with stakeholders, and inspections will be carried out by authorised officers in Ranger Services.

To date some **145 inspections** this season have been conducted which has resulted in **16 letters of advice** and **10 pest control notices** being issued. The Shire continues to work collaboratively with the Department of Primary Industries and Development and ratepayers to ensure that the breeding of stable fly is minimised through good land and waste management practises.

In the event you are concerned with the occurrence of stable fly in your area you are encouraged to download the Pest Reporter App from the DPIRD website at [www.dpiird.wa.gov.au](http://www.dpiird.wa.gov.au) and report such incidences to ensure that Officers can continue to undertake inspections in appropriate areas across the Shire.

Please help us fight Stable Fly by reporting to DPIRD

#### Gingin Water Treatment Plant Upgrade – Message from Water Corporation

The Water Corporation is upgrading the existing Gingin Water Treatment Plant located off Edgar Road, Gingin to improve the supply and quality of water to Gingin customers. Construction will commence **mid-April 2018** and will take **approximately five months to complete**. The majority of work will occur Monday to Saturday between 7am and 6pm and will be carried out within the existing buildings on site.

While customers' properties won't be directly impacted by the project, there will be an increase in noise in the area as well as an increase in traffic along an access track off Edgar Road that leads to the tank site once construction is under way.

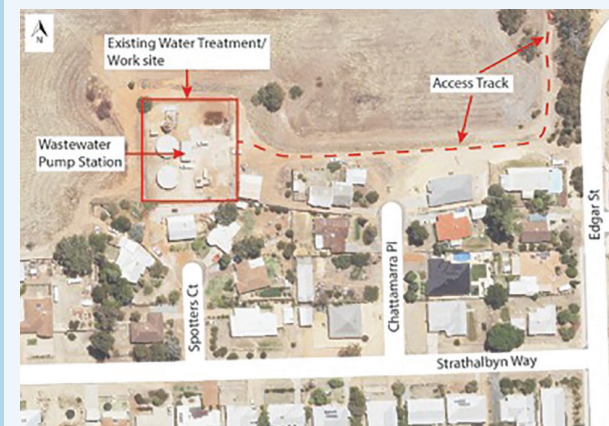

The Water Corporation will be in touch with local residents throughout the project and ensure any impacts are communicated, and encourage residents to contact them if they have any concerns.

An authorised contractor will complete the work on behalf of the Water Corporation. **Please see map below for more details.**

For queries specifically related to construction please contact: **Luke Dalton** – Project Manager – 9420 3658

For all other queries, to provide feedback, or request more information please contact:

**Elecia Wheat** – Adviser Community Engagement – 9420 3265 or [elecia.wheat@watercorporation.com.au](mailto:elecia.wheat@watercorporation.com.au).
