

1. POLICY AREA

This policy applies to the area included in the Industry Zone.

2. POLICY OBJECTIVE

To ensure the adequate provision of on-site parking for industrial development.

3. POLICY STATEMENT

- 3.1 Policy Statement 1.5 PARKING sets out nominal parking requirements for industrial purposes at one space for every 100 square metres of floor area.
- 3.2 The purpose of providing on-site parking is to try and ensure that all staff and customer parking requirements are accommodated on-site and the vehicles are not forced or encouraged to park on streets or street verges.
- 3.3 Council may vary the parking requirements for industrial development after considering the nature of a particular industry.
