

**1. POLICY AREA**

This policy applies to the area depicted on the Guilderton Strategy Map and labelled as the Foreshore Protection Area.

**2. POLICY OBJECTIVES**

To provide for the improvement of the water quality in the river to permit its use for recreational purposes and ensure that any development in or adjacent to the policy area has minimal detrimental effect on the quality of the local environment over the long term.

**3. POLICY STATEMENT**

3.1 This policy is in addition to Policy Statement 1.2.

3.2 Any proposed expansion of the developed area in or adjacent to the policy area will be required to be supported by investigations and reports documenting the local environment, the likely impacts of the proposal and any measures proposed to be taken to lessen the impact of the proposals.
