Paid Parking at Guilderton Foreshore Deferred

Further to Council's resolution to introduce metered parking at the Guilderton Foreshore car park, installation has now been deferred as a result of a motion at the Shire's recent Annual General Meeting of Electors for Council to reconsider its position on the paid parking concept.

In considering this motion at its January meeting, Council requested the Shire's Administration to prepare a report addressing the potential implications of the resolution arising from the Annual General Meeting of Electors by no later than 16 May 2017, and agreed to defer implementation of paid parking at the Guilderton Foreshore Parking Area pending consideration of this report.

The Shire will keep the community informed as information comes to hand.

-Ends-
