Expressions of Interest Sought for Management of Gingin Medical Centre

The Shire of Gingin is seeking expressions of interest (EOIs) from suitably qualified medical providers for the operation and delivery of medical services for the Gingin Medical Centre.

The decision to seek EOIs for the management of the practice has come about as a result of Council's desire to provide a more comprehensive medical service for the community which would include increased hours of service, reduced waiting times and limited closures during holiday periods.

The current medical practitioners have been invited to submit an EOI.

Once the EOI advertising period has closed, EOIs will be considered and a report presented to Council for consideration. Shortlisted candidates will then be invited to tender.

More information on the Gingin Medical Service EOI, including details of the proposal, may be found on the **Latest News** section of the Shire's website www.gingin.wa.gov.au, and any queries may be directed to the Shire's CEO Aaron Cook at ceo@gingin.wa.gov.au or 9575 2211.

The closing date for EOIs is **Friday 29 March 2019**.
