Reasons for Having More Than Two (2) Cats (please attach another page if required)

How Do You Confine the Cats on Your Property (please attach another page if required)

Note: the Permit Holder should be aware that further permits for replacement cats will not be issued. When additional cats (specified above) die or are permanently removed from the premises, the Shire of Gingin will not issue another permit to the Permit Holder that would allow more than two cats to be kept on the property.

RESPONSIBLE CAT OWNERSHIP

APPLICATION TO KEEP MORE THAN TWO CATS ON PREMISES

If your permit is approved, the following conditions will apply:

1. The premises will, during the currency of the permit, remain adequately fenced/enclosed (the premises will be deemed inadequately fenced/enclosed if a cat is found to be wandering away from premises).
2. The Permit Holder/Keeper will have, during the term of the permit, adequate space for the exercise of the cats.
3. In the case of a multiple dwelling where there is no suitable dividing fence, written consent to the application for a permit has been obtained from the occupier of the adjoining multiple dwellings.
4. Unless written consent has been obtained from the Shire of Gingin, the Permit Holder will not substitute or replace any cat once a cat dies or is permanently removed from the premises.
5. Any cat to which this permit relates must be a registered and identified cat.
6. Any authorised person (e.g., Shire Ranger) may seize and impound any or all cats on the premises if the authorised person suspects that a breach of the permit, or of any condition of the permit, has occurred.
7. A permit, if granted, may be revoked by the Shire of Gingin if there is a breach of any condition of the permit or if the permit holder is convicted of a breach of any provision of the *Cat Act 2011*, the *Dog Act 1976* or the *Animal Welfare Act 2002*.
8. A permit relates to specific premises and to a specific Permit Holder and is not transferable on the sale or lease of the premises to which a permit relates.
