Projects Update

KW Road Upgrade Completed

Almost 3km of KW Road has been upgraded. The Shire's Operations team undertook most of the work which involved verge pruning, pegging, ripping up the road and reconstructing, stabilising the limestone with Western Stabilizers, carting and compacting the gravel and final trim before sealing which was carried out by Fulton Hogan.

The road was widened from 7m to 11m and works took approximately two months to complete.

New Footpaths for Gingin

The Shire's Operations team will be overseeing the construction of new footpaths on Brockman St and Cheriton Road within the next couple of weeks.

Maps indicating where the footpaths will be installed, including on and off ramps, can be viewed on the **Public Notice** section of the Shire's website gingin.wa.gov.au.

Hoy Road Upgrade

At a Special Council Meeting on Monday 27 June, Council resolved to undertake an urgent upgrade of Hoy Road, Frogmore.

Works are expected to commence early July and take approximately 3 weeks. Traffic management will be in place and we ask road users to take care while works are in progress.

Grading Works in Progress

Please be advised that our Operations team are currently working through their Maintenance Grading Schedule for gravel roads within the Shire.

These works will take several months to complete, depending on weather conditions, and may require road users to slow down and exercise caution when approaching graders at work and any other modified road conditions.

In the meantime, please take care on our roads and thank you for your patience.

Community Events

Yarning Circle with Margaret Drayton

On Friday 24 June over 80 attendees gathered at the Granville Civic Centre for a Yarning Circle with Yued Elder Margaret Drayton. The event was organised by Koorunga (Gingin) CWA following a focus over the last year of learning more about the cultural heritage of local Yued Noongar people.

The day began with a smoking ceremony to cleanse the area, followed by a morning tea of scones with homemade quandong jam and biscuits with wattleseed and lemon myrtle, while Margaret shared locations and stories of significant sites in Gingin and surrounds using the Aboriginal Heritage Inquiry System (<https://espatial.dplh.wa.gov.au/AHIS/>).

As part of the Yarning Circle experience, attendees made water-colour paintings of sites and stories that stood out to them. After a delicious lunch featuring more bush food inspired treats, Margaret taught everyone how to weave a coaster or necklace using various grasses and reeds from Gingin Brook.

The day covered a wide range of topics through open and honest dialogue and provided a depth of learning for all who came.

Do You Have a Community Event to Promote in the Shire?

General News & Information

Farewell Cr Jan Court!

After 11 years of dedicated service to the Shire of Gingin Council, we said farewell to Cr Jan Court who attended her last Council meeting on 17 May, after announcing her retirement.

During her time as a councillor, which commenced back in 2011, Jan was committed to improving health outcomes and resources for Shire residents, passionately advocated arts and culture for our region, and was instrumental in the development of the Wangaree Community Centre which is home to the Lancelin hub for DADAA.

Jan is leaving her long-time home in Lancelin to start the next chapter of her life down south in Vasse. She will be very much missed, but we wish her every happiness and thank her sincerely for her contribution to the Shire of Gingin.

Jan's retirement has left a vacant position on Council which will be filled at the next Local Government election in October 2023.

Would You Like More Publicity for Your Business?

If so, have you considered becoming a sponsor of the Shire's Early Rates Incentive Scheme?
